# Scholarship Application

## Quick Facts

*Scioto Foundation Scholarship Application*  
**Date Open:** Wednesday, November 1, 2023  
**Deadline to Apply:** Wednesday, February 14, 2024

## Scioto Foundation Scholarship Application Quick Facts

The 2024 application will be available Wednesday, Nov. 1, 2023, and you will have until Wednesday, Feb. 14, 2024, at 5 p.m. to complete your application. All required letters of recommendation must be received online before 5 p.m., Sunday, Feb. 18, 2024. **To apply, go to our website:** [www.sciotofoundation.org](http://www.sciotofoundation.org). Click on "Scholarship Application" at the bottom of the page, then "apply online".

## What you will need to complete the application

**You must have the following with your completed application:**

- A current transcript of college grades and/or high school grades. If you are a graduating high school senior participating in College Credit Plus you must attach your college transcript too!
- One letter of recommendation from a member of your school faculty.
- One letter of recommendation from a member of the community.
- Some scholarships will require an additional recommendation letter. For example, some require a letter from a coach, a 4-H advisor, or a specific teacher such as a music or spanish teacher.
- You may have to complete one or more essays. The online scholarship will direct you to this if needed.

**Please Remember:**

- Slow down, read the questions carefully, paying special attention to questions in the "donor specific section."
- Be sure to ask the people you choose to write your letters of recommendation in-person! Keep in contact with them to be sure they complete your letter prior to the deadline! Invite an additional back up recommender to write a letter for you. Remember, without the proper letters of recommendation, your application is **NOT COMPLETE** and cannot be accepted.
- You must submit your application, or it is not complete! (You can submit your application before all recommendation letters are received.)
- Be sure to contact your counselor about getting your transcripts in a timely fashion. If it is late - your application is not complete.
- If you are a music major - be sure to submit a music video! It could make the difference in receiving thousands of dollars in scholarships!

## Did you know?

The Scioto Foundation awarded over \$600,000.00 in scholarships in 2023

- We have awarded scholarships to students because no one else applied!
- We had scholarships in 2023 that were not awarded because we didn't receive eligible candidates.
- There is no guarantee that if you apply, you will receive a scholarship. However, you may be surprised. A few hours of work completing the application could turn into thousands of dollars for your college education!

All scholarships of the Scioto Foundation were created through contributions from individuals, businesses, and groups! In other words, our scholarships are not from governmental sources, they are from people in your community who want to help you to go to college & succeed!
