

UCAN Payroll Deduction Form

The Foundation is once again offering challenge grants for all UCAN Scholarship Funds. The Scioto Foundation will offer an increasing match of \$10,000 every year until the 2027/2028 school year, marking the 20th year of the program. All donations to UCAN Funds from September 1 through August 31 will be matched. The exact amount of matching dollars your scholarship fund receives will depend on how much is donated to it during that year. In short: every dollar you give is boosted by the Foundation, helping UCAN scholarships grow faster and support even more students!

<i>School Year</i>	<i>Match amount</i>
<i>Year 18 or 2025/2026</i>	<i>\$60,000</i>
<i>Year 19 or 2026/2027</i>	<i>\$70,000</i>
<i>Year 20 or 2027-2028</i>	<i>\$80,000</i>

Why Payroll Deduction?

Donating through payroll deduction is a secure, convenient, and highly effective way to support scholarships for students wishing to attend post-secondary education programs. Payroll deduction is automatic, manageable, and offers recurring contributions that are matched by the Scioto Foundation. It reduces the "pain of paying" by spreading donations over time, provides tax benefits, and allows for smaller, budget-friendly, regular amounts to be deducted. Unlike credit cards that charge processing fees, payroll deductions have no extra fees, meaning more of your money goes directly to the charity and because the funds are automatically deducted, you may feel less of a "loss" compared to out-of-pocket donations. Using payroll deduction transforms giving from a one-off action into a reliable, consistent, and impactful habit.

Payroll deduction at work.

During the 2025/2026 school year, 10 of 18 schools participated in payroll deduction. Teachers, administrators and staff contributed a combined total of \$23,977.50 to their school's UCAN funds. Their contributions were matched at a rate of .83c on the dollar or \$19,901.33. Total contributions were \$43,878.83.

Schools with payroll deduction include:

Bloom-Vernon, Clay, Green, Minford, New Boston, Northwest, Symmes Valley, Valley, Wellston and Wheelersburg. Valley, Wheelersburg, and New Boston led all others in donations.

What to know more about payroll deduction or the UCAN program, please contact the Scioto Foundation by phone at 740-354-4612, or e-mail, Therese@thesciotofoundation.org or visit your schools treasurer.
